Domain name registration

We will register the name of your choice and this will be yours exclusively for two years. After this period you will have the opportunity to renew the name before anyone else.

.co.uk domain name (two years) - £30

.com domain name and all other domain names (two years) - £50

Web site hosting

To allow a web site to be viewed it needs to be hosted on a server that the general public can view. Prices are based on a years hosting and how many pages a web site has. Newsquest Oxfordshire & Wiltshire policy is to ensure that your web site is live 24/7, if a server error occurs we will work as quickly as possible to get your web site live again.

Annual web hosting - from £140 per annum.

Search engine submission and optimisation

We can help you to make your web site more accessible on the Internet; we offer a consultation service to help get your web site more search engine friendly.

One hour consultation - £100

Business directory listings

Our business directory is used throughout the Newsquest group and you can list your business for one year on all of our web sites.

Basic listing for a year includes business name, address, telephone number plus entry in to one category - £20 per annum.

Premium listing includes all of the above, plus a link to email, web site and entry in up to five categories - £60 per annum.

***All prices shown are subject to VAT.**
